19/06/2019	2nd EARTH OBSERVATION RESEARCH ANNOUNCEMENT COLLABORATIVE RESEARCH AGREEMENT (NON-FUNDED)	<p>Article 9. Disclosure of Technical Data</p> <ol style="list-style-type: none"> 1. For the purpose of performing the Research Projects, JAXA will attempt to provide the Research Organization with the meteorological data provided by the Japan Meteorological Agency pursuant to the agreement between JAXA and the Japan Meteorological Agency ("Meteorological Data"). The Research Organization agrees that JAXA's provision of the Meteorological Data may be limited or otherwise affected by the fact that some rights to the Meteorological Data belong to the Japan Meteorological Agency. 2. The Research Organization shall use the provided Meteorological Data solely for the purpose of conducting the Research Projects. The Research Organization may not disclose the provided Meteorological Data to any third party. 3. The Research Organization shall return or otherwise appropriately keep the Meteorological Data in accordance with the instructions of JAXA upon the termination of this Agreement. 	<p>Article 9. Disclosure of Technical Data</p> <ol style="list-style-type: none"> 1. For the purpose of performing the Research Projects, JAXA or the Research Organization may provide the other party with the Technical Data such as satellite operation data or program, free of charge, and provide advice if necessary. 2. JAXA or the Research Organization shall use the provided Technical Data solely for the purpose of conducting the Research Projects. JAXA or the Research Organization shall not disclose the provided Technical Data to any third party except for Collaborative Researchers. 3. JAXA or the Research Organization shall return or otherwise appropriately keep the Technical Data in accordance with the instructions of JAXA upon the termination of this Agreement. 	19/06/2019
