VNR-NP

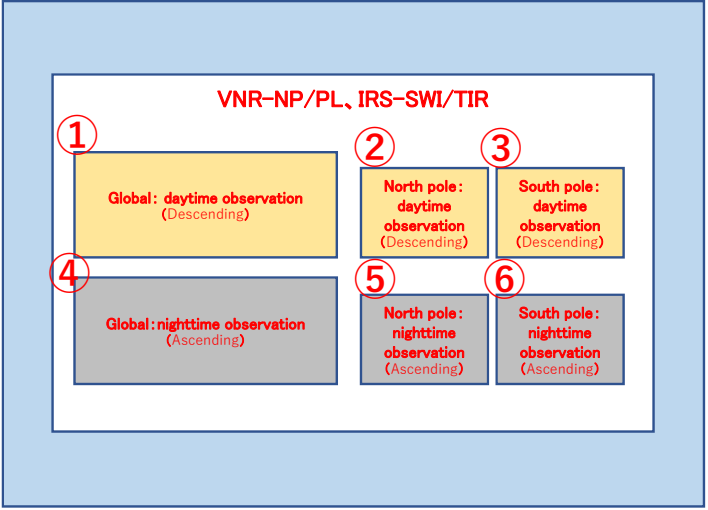

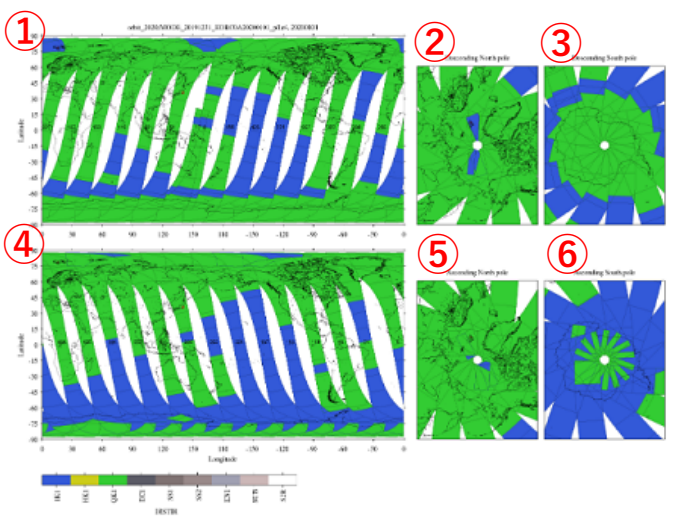

VNR-PL

IRS-SWI

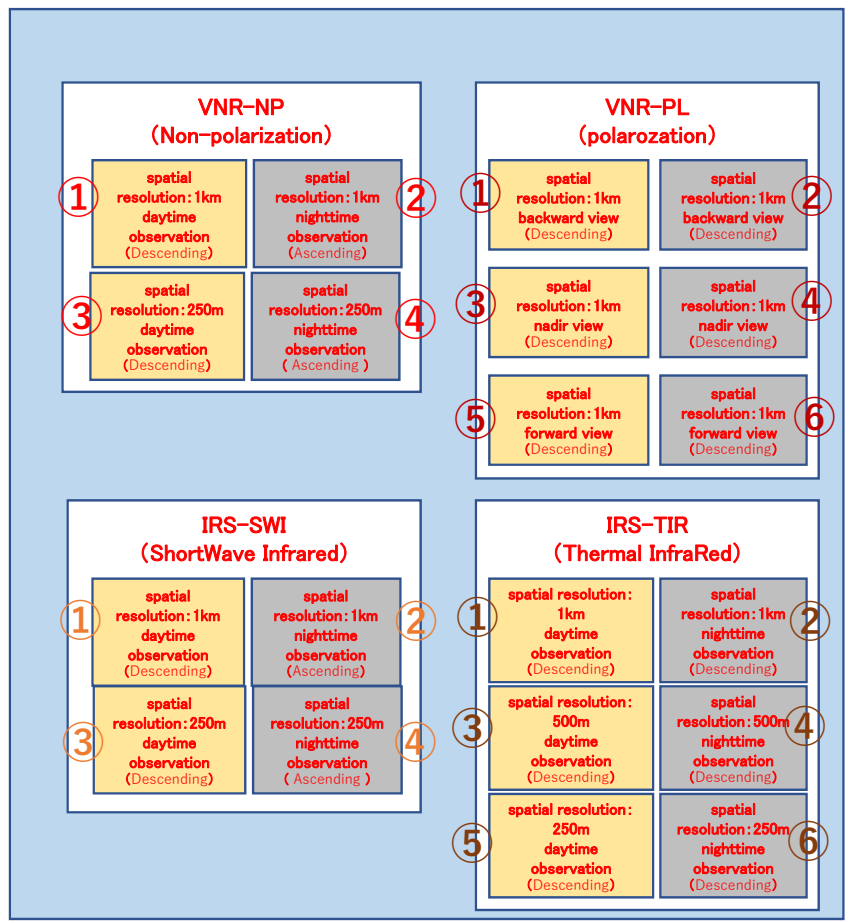

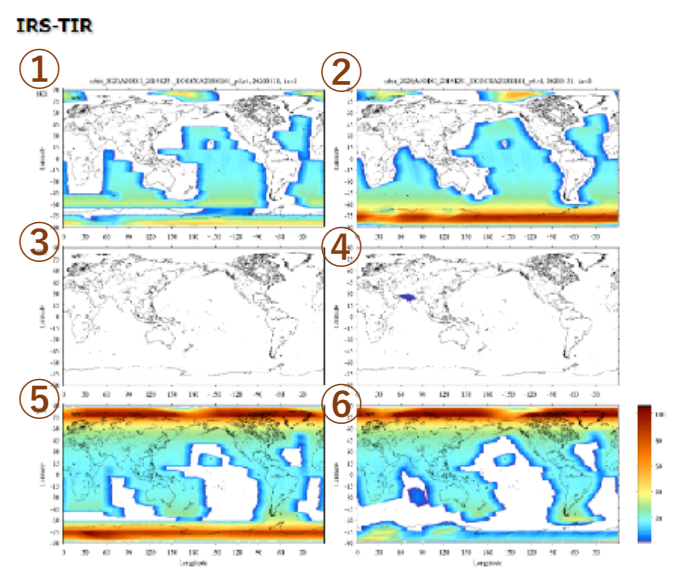

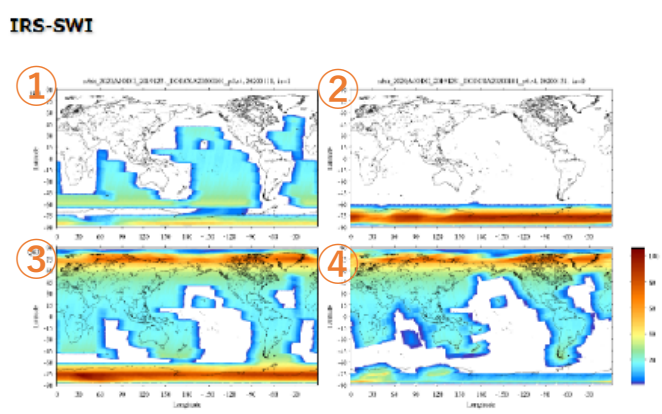

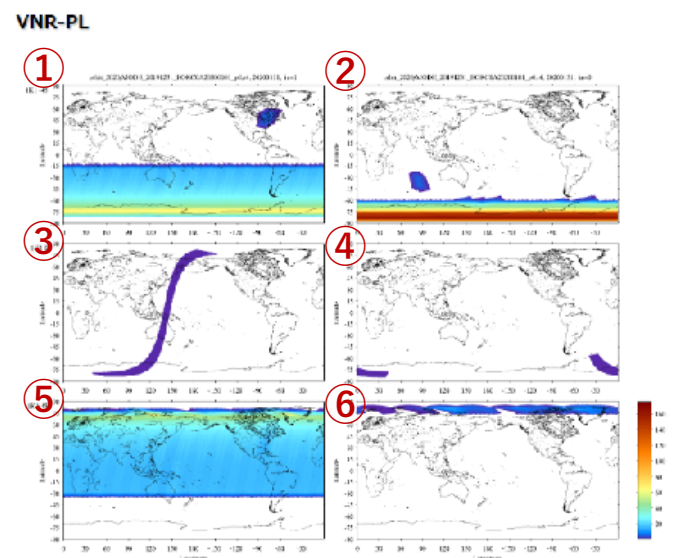

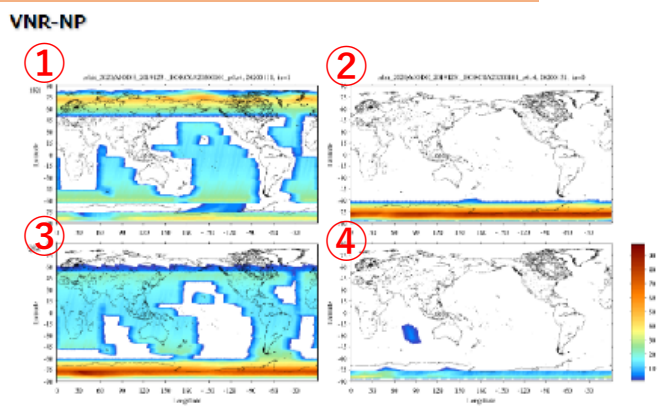

IRS-TIR

<Note>  
The scale bars indicate the observation mode.  
Please refer to the tables below for the observation mode of each sensor (VNR-NP / PL, IRS-SWI / TIR).

sensor	mode	detail	sensor	mode	detail	sensor	mode	detail	sensor	mode	detail
VNR-NP	001	IR1 (normal)	VNR-PL	101	IR1 (normal)	IRS-SWI	001	250m	IRS-TIR	001	250m

# Observation (Monthly)

**<Note>**  
 The scale bars indicates the number of observations per month.  
 The closer to red, the more observations are performed..
